

Our Mission

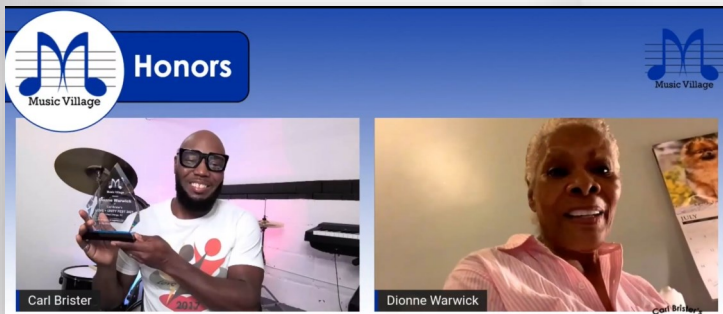

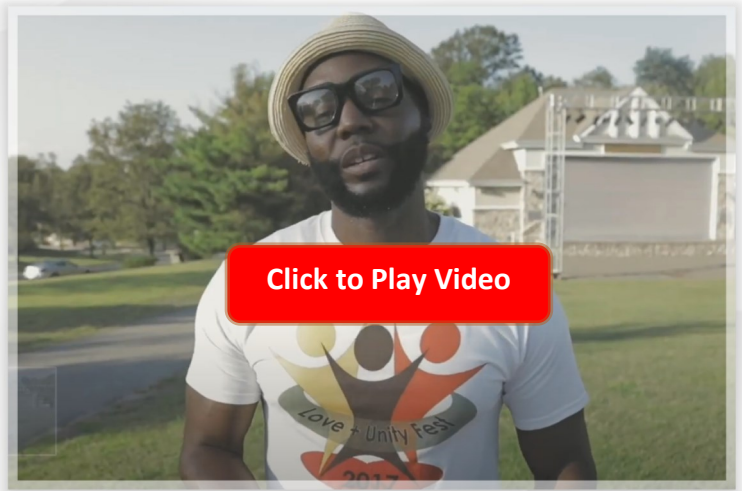

Music Village is a 501(c)(3) non-profit organization created to leverage the power of the performing arts to support community organizations, leaders, and public servants focused on increasing diversity in the community, preventing child

sexual abuse, and promoting the arts in conjunction with quality education in public schools by raising awareness, fostering community engagement, and fundraising.

Love+Unity Music Fest

The Love+Unity Music Fest is an annual free event hosted by Music Village that was founded in the summer of 2016 by National Recording artist Carl Brister after witnessing the increase of racially motivated violence, police brutality, and hate crimes around our nation.

This event is attended annually by hundreds and has been featured on **NBC's Access Hollywood**, **ABC's Here and Now**, **News12 NJ**, and more. With virtual appearances by music legends **Dionne Warwick** and **Robert "Kool" Bell**, Carl brings together an **AMAZING** collection of artists who performed Rock, Pop, Soul, Gospel, Latin, R&B, Hip-Hop, Reggae, and more to create The Love+Unity Fest with one purpose:

To inspire unity in the community through music.

Live Performances

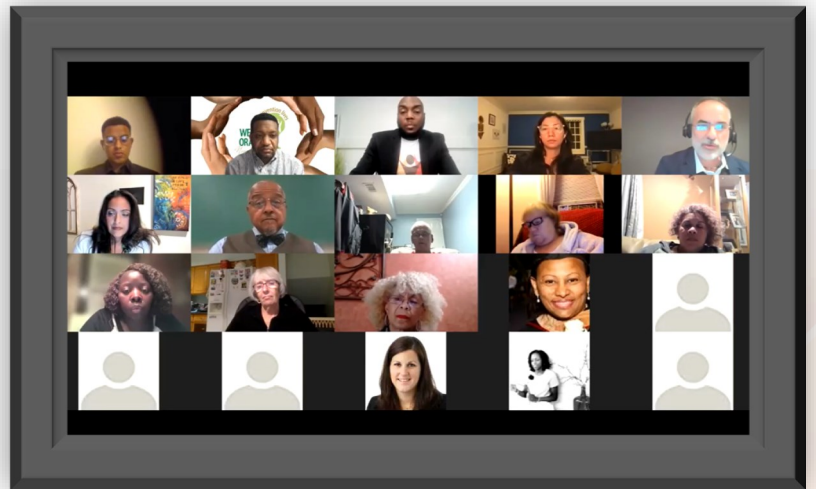

At The Love+Unity Music Fest audiences also enjoy diverse performances by local youth groups who are invited to perform.

Music Village Scholarship

W*hen the community aligns to support the artists, the artists will use their talents to support the community. – Carl Brister*

The Music Village Scholarship is intended to support developing aspiring musical artists in their musical growth. Music Village's mission to inspire unity in the community through music can only be obtained by having skillful musical performers who sacrifice to serve the community with their talents. We believe that when the community aligns with the artists, the artists will give back to support the community through their talents, time, and resources.

The Music Village Scholarship (MVS) will seek to support artists as follows:

- Providing support for instruments for those who demonstrate financial need
- Providing support for private music instruction or study programs,
- Providing tuition support for collegiate musical studies

This year, Music Village hopes to award at least 5 students with a \$500 award. Scholarship Applications for the 2022 season will be available from June 15th-October 15th, 2022. Scholarships will be announced by December 15th 2022.
